ENCLOSURES

PERFORMANCE 1 P160

Performance. Reinvented.

We've created the best-selling and most frequently imitated line of cases in history. But we don't rest on our laurels, so we redesigned the entire line from scratch. Introducing Performance One. It combines the best of Quiet Computing™ with Antec's years of leadership in high-performance case design. It offers everything you'd expect from Antec: advanced features, dynamic styling, and the latest technology. Performance One from Antec redefines what a case should be – again. Now *that's* the Power of You.

UPC # : 761345-81600-7

1 Swiveling front control panel plus color-coordinated CD-ROM & floppy bay drive covers provide convenience & flexibility.

2 Chrome front vents for stylish ventilation.

3 Blue front accent lights add dazzle in the dark.
